First Program Service Accomplishments Description

Description

identify specific priorities in each area and devise strategies to affect community change. Included in Community Impact is the United Way of Portage County's In-A-Fix and Diaper Drive Programs. The In-A-Fix program provides monetary assistance for car repairs and/or tire repair and replacement for income eligible individuals who are employed and living in Portage County. Assistance is limited to \$500 per calendar year while funds last. The Diaper Drive program fills a need many local agencies identified as a top issue facing struggling families-not being able to provide their children with diapers. This can often result in health issues for infants and toddlers whose diapers are not changed as frequently as they should.

Other Program Services Accomplishments

Activity Code	Description	Expense	Grants	Revenue
	2-1-1 Program: By providing one central easy-to-remember phone number (2-1-1), United Way's 2-1-1 program connects individuals with the most appropriate community-based health and human service resources for their specific situations. These individuals are often unaware of these programs, so by asking questions that arise in everyday situations or during hard times, they can become connected to any of the more than 600 programs listed in the Portage County 2-1-1 directory. Available 24 hours a day, seven days a week, this free and confidential service is available to all Portage County residents. In addition, the service helps reduce misdirected calls to other organizations such as health and human services, police department, library, and city hall. By reducing non-crisis calls to police dispatch, 2-1-1 helps reserve these resources for emergency calls.	2,587		4,000
	Early Years Collaborative Mission - The Portage County Community Partnership for Children is a public/private partnership, working collectively to build a community system that promotes positive outcomes prenatally through age five, preparing children for lifelong success. Vision - All Portage county children will be safe, healthy and ready for kindergarten. Community Outcomes - Reduce child abuse and neglect; improve child health; promote optimal child development; strengthen families.	38,801		0
